STUDENT TESTIMONIAL

"I started my Certificate III in Individual Support in March and had the best trainer. Marinda was an amazing teacher and she was nothing but helpful and so knowledgeable. She encouraged me through my course to be the best I possibly could be. After completing placement, I was encouraged to apply for a job there, and ended up getting the job. I honestly believe I wouldn't have got this opportunity if it wasn't for my trainer and Ashley Institute of Training itself".
