This qualification is typically delivered over a duration of 12 months, including 120 hours of work placement.

Upon completion of this qualification, students are eligible to apply for roles such as:

- Disability Support Worker
- Community Care Worker
- Residential Care Support Worker

This qualification is delivered out of our Logan, Ipswich and North Lakes training facilities.

"I started my training in March and had the best trainer. Marinda was an amazing teacher and she was nothing but helpful and so knowledgeable. She encouraged me through my course to be the best I possibly could be. After completing the placement, I was encouraged to apply for a job there and ended up getting the job. I honestly believe I wouldn't have got this opportunity if it wasn't for my trainer and Ashley Institute of Training itself."
