RELEASE 1 - CURRENT, 23 NOVEMBER 2022

COURSE INFORMATION

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide personcentered support to people who may require support due to ageing. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs.

This qualification is typically delivered over a duration of 7 months, including 120 hours of work placement in an aged care setting.

Upon completion of this qualification, students are eligible to apply for roles such as:

- Community & Residential Care Worker
- Community Access Coordinator
- In Home Respite Worker
- Transport Support Worker

This qualification is delivered out of our Logan, Ipswich, Gold Coast and North Lakes training facilities.

"I started my training in March and had the best trainer. Marinda was an amazing teacher and she was nothing but helpful and so knowledgeable. She encouraged me through my course to be the best I possibly could be. After completing the placement, I was encouraged to apply for a job there and ended up getting the job. I honestly believe I wouldn't have got this opportunity if it wasn't for my trainer and Ashley Institute of Training itself."
